8. Motion to adjourn the AGM

Moved, seconded. Carried.

The second half of the meeting was designated to open questions from the floor

Tom Ryan: Questioned why the Board or the shareholder was still appointing Directors. A brief explanation was provided that according to the Articles of Incorporation the Shareholder appoints Directors to the Board at the AGM, as it is their company and that in-between AGM's the Board can appoint Directors to fill vacancies until the next AGM. This year the Board recommended to the Shareholder that they appoint the current slate of Directors given the time spent orientating new Directors and the volume of work to bring them up to speed. Mr Ryan spoke about the desire for the Directors to be elected and asked for a show of hands of the people present (approximately 65 people in attendance) as to how many members of the public want a fully elected Board.

Mike Monroe spoke about the length of time it was taking for the Board and the Shareholder to address the structure of the corporation and commented that if the community forest is losing money when logging cedar, then doing it wrong.

Betty Abbs spoke to the Board and Shareholder about the community forest was originally intended to be a society so that the members could vote on the direction and operations of the community forest. Ms. Abbs provided a report that was distributed to each of the Shareholders.

Raj Basran of BKB Cedar, after a brief bio, questioned the Board on whether they intended to honour the 2013 agreement. Comments from the Board were that with the reduced cut and cost to log cedar the board

Dedrie Ellingham asked when the Board would be hiring a new GM. Ms. Ellingham was informed that the Board would be hiring a new GM in the new year and transitioning out the interim GM's.

May 1, 2017

Dear McBride Community Forest Corporation Shareholder,

It has been brought to our attention that at the April 25, 2017 council meeting, there was discussion on an idea to change the current composition of the board of the McBride Community Forest Corporation (MCFC) from one elected official to two. On October 22, 2017 at the MCFC AGM, you passed a special resolution on the composition of the board that included the following statement: "One of the Directors will be an elected official of the Village of McBride...; The other Directors,...will come from the community at large with forestry, financial, community volunteer experience and/or local knowledge..."

We understand that it is your right as the shareholder to change the Articles of Incorporation. We would like, however, to have a discussion with you so that we can understand your reason for the proposed change. We believe that clear and open communication between us is essential for the health of the MCFC.

Additionally, we continue to support the proposal that we work together on the Shareholder Corporation Contract template (<http://bccfa.ca/wp-content/uploads/2016/09/BCCFA-Contract-Guidebook-web.pdf>) because we believe it is a tool that can serve to strengthen cooperation and accountability between us.

I look forward to hearing from you.

Best regards,

Joe Rich, Chairman of the Board, McBride Community Forest Corporation
