

## Corporation of the Village of McBride

Portable/Temporary Toilets

AD – 15

### **Purpose:**

The general purpose of this policy is to provide direction for Council and Administration to regulate the placement of Portable/Temporary Toilets and to protect the health, safety and general welfare of the persons and public property within the Village of McBride.

### **Regulations:**

1. Placement and use of any portable/temporary toilet is prohibited in the Village unless written approval has been provided by Council.
2. Portable/temporary toilet use is intended for such purposes as sport events, picnics, parades, public gatherings, construction operations and other purposes, as approved by Council, where other toilet facilities are not available and the need for toilet facilities exists.
3. Approved portable/temporary toilets must be set no closer than ten (10) feet of any property line, anchored to the ground and screened from public view.
4. Approved portable/temporary toilets are limited to a maximum of three (3) day placements.
5. Approved portable/temporary toilets are required to have hand washing stations within close proximity of the units and cleaned and sanitized on a regular basis.
6. Portable/temporary toilets are required to have a sewage disposal plan and conform to the Regulations governing Sewage Disposal and conform to the requirements of the Health Act and all amendments thereto.
7. Applicants requesting placement of portable/temporary toilets on Village property are responsible for all cost related to acquiring units, placement, and removal and clean up. In addition applicants will be accountable for any leakage or damage that may occur with the units placed on Village property.

Approved through Council Resolution: 118/14 this 10<sup>th</sup> day June, 2014.
