Mayor Martin called the meeting to order at 6:00 p.m.

Acting CAO Frost read out the March 31, 2017 report from Approving Officer Gord Simmons outlining the specifics of the application for Development Variance Permit No. 2017-01521. The property address for the requested DVP is 521 Main Street, McBride B.C.

Acting CAO Frost read out the referral letter sent to adjacent property owners. She then read out two letters received with comments regarding the DVP. One letter was from Fire Chief David Hruby and the second from Teresa Caputo.

Mayor Martin read out the Public Hearing statement and invited anyone who deemed his/her interest in land to be affected by this amendment to come forward to be heard.

Joel Zahn, 1046 - 4th Avenue, McBride, BC - Robson Valley Museum Society. Mr. Zahn advised that the container was intended to store Museum artefacts to provide fire protection. The container will be insulated and wired, and there will be nothing flammable stored inside. The idea is to make the container aesthetically pleasing so it won't be visible from Main Street. The design for the enclosure is being engineered and completion is contingent upon approval of the permit.

Elsie Stanley, Box 56, McBride, BC. – Robson Valley Museum Society. The Main Building will have several doors, one being a small roll-up door.

Once all submissions were heard, Mayor Martin closed the public hearing at 6:10 p.m.
