

Come celebrate
The Day of the Honey Bee
Hosted by the Robson Valley Beekeepers &
Wannabee Beekeepers

Come learn about the importance of the honey bee and what they do for us.

The event will take place at Steve Kolida Park, McBride
May 31
10Am until 2Pm

Then at 4pm at the Library come listen to our guest speaker,
Dr Leonard Foster. He will be speaking on his projects and
research at UBC with Honey Bees

Dr Leonard Foster
Professor and Head
Biochemistry and Molecular Biology
