

## Idea Slip

### Let's Go! Downtown McBride

#### Village of McBride Downtown Revitalization Project

#### How can McBride create a healthy and vibrant Main Street and downtown area?

All ideas are welcome! Ideas can include small changes (i.e. hanging baskets, new signage, etc.) or big changes (new sidewalks, street patios, safety measures, etc.), involve partnerships, new policies, less policies or a larger future vision.

Consider other places you've been and liked. What made these places special? Could those ideas be put to work here? Please provide as many ideas as you'd like!

**Please return to the Village Office.**
